- Good Friday
- Memorial Day
- July 4th
- Labor Day
- Thanksgiving and the Friday After
- Christmas Eve & Christmas Day

- Closed October 24 for our staff to attend a Conference.

The center may close the day before or the day after the holiday if the holiday falls on a weekend.

***You will be informed of any additional closings that the center does not have scheduled. Days are subject to change and a notice will be issued to the parent(s)/guardian(s).**

4. PAYMENT VACATION:

- Full-time (three days or more per week) children are entitled to one-week non-payment per school year and one-week non-payment per summer session. Children enrolled in the before and after school program receive a one-week payment vacation during the school year. Payment vacations are to be used when children are absent from daycare the entire week, (Monday – Friday). A written notice must be given to the daycare. The value of your vacation is equal to your weekly rate.

5. TRIAL PERIOD:

- Your child's adjustment is important to all of us. Therefore, a 30-day trial period is provided before arrangements for continued care to become final. At the end of this period, the parent(s)/guardian(s) and daycare center's director will discuss how the child has adjusted to the new setting realizing that this varies from child to child. At this time, or during the course of the trial period, either party may terminate care upon immediate notice. After the trial period, the provisions of Section 6, Termination and Withdrawal apply.

6. TERMINATION AND WITHDRAWAL:

- The center reserves the right to remove a child immediately from the facility, if the center believes that continued care might be detrimental to our children, our staff or our program. If the provider gives notice of termination, the parent(s)/guardian(s) may remove the child immediately, paying only for the care provided, and further advanced payments will be refunded. Parent(s)/guardian(s) must give at least two-week's written notice before they withdraw their child from the program. Pre-paid fees will not be refunded without a two-week written notice.

7. ILLNESS AND INJURY:

- Parent(s)/guardian(s) should not bring sick children to the center. If a child arrives at the center with fever (100 or above), rash, vomiting, diarrhea, lice, conjunctivitis (pink eye), COVID or other symptoms of acute or contagious illness, the provider will refuse to admit the child. A child may not be brought to daycare if the parent(s)/guardian(s) had to give the child medicine to treat symptoms associated with these highly contagious illnesses. A child should be allowed to recover a full day after an illness so other children in the group do not risk possible exposure. This means a sick child may not return the following day after being sent home with these symptoms.

- If the child becomes ill or is injured while in the center's care, parent(s)/guardian(s) will be notified and must make arrangements to have the child picked up immediately. If a parent(s)/guardian(s) cannot be reached or cannot be at the Daycare with one-half (½) hour, the person(s) designated on the Emergency Information Card will be notified.

8. **MEDICATION:**

- ***The first dose of any medicine cannot be given by the center.*** The center will not administer prescription or non-prescription medication, including aspirin, cough drops, vitamins, supplements or decongestants without parent('s)/guardian('s) signed authorization. We must also have a doctor's order for prescription drugs. The original container of prescription or non-prescription medication shall be clearly labeled with the name of the child, the name of the medicine, the dosage and the name and phone number of the child's physician. Medication, sunscreen, diaper cream, etc. that would be harmful if ingested should be given to the office where it will be placed out of reach of the children until it is needed. Provider shall follow Maryland Regulation 07.04.01.32 when administering medication.

9. **FIELD TRIPS:**

- The provider's regular program includes walks, field trips, and other out-of-the-center activities which involve transportation of child in vehicles owned by the center. The parent(s)/guardian(s) hereby grant permission for the child to be taken on such trips and to be transported in the center's vehicle.

10. **BEHAVIOR POLICY:**

- Children are encouraged and rewarded for good behavior. Each class has an individual reward system.
- Children are redirected and given opportunity to make good choices. If a child continues to make a poor choice, he/she will be given a time out of one (1) minute per year of their life. Children will be sent to the daycare office if they are disrupting the class. Repeated unacceptable behavior will be documented and children may be suspended from school.
- A child may be suspended for a period of one week for not complying with LCDC's rules. An additional two-week suspension may occur if the behavior continues after the child returns to daycare. Payments will continue during the suspension period. Termination from daycare will result if parent(s)/guardian(s) and LCDC are unable to correct the undesirable behavior.
- Behavior that puts staff, your child or other children at risk of serious injury may result in immediate dismissal from LCDC.
