## Maryland Schools Record of Physical Examination

## To Parents or Guardians:

In order for your child to enter a Maryland Public school for the first time, the following are required:

- A physical examination by a physician or certified nurse practitioner must be completed within nine months prior to entering the public school system or within six months after entering the system. A Physical Examination form designated by the Maryland State Department of Education and the Department of Health and Mental Hygiene shall be used to meet this requirement.
   (<a href="http://www.dsd.state.md.us/comar/13a/13a.05.05.07.htm">http://www.dsd.state.md.us/comar/13a/13a.05.05.07.htm</a>)
- Evidence of complete primary immunizations against certain childhood communicable diseases is required for all students in preschool through the twelfth grade. A Maryland Immunization Certification form for newly enrolling students may be obtained from the local health department or from school personnel. The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend school. This form can be found at: <a href="http://www.edcp.org/pdf/DHMH896new.pdf">http://www.edcp.org/pdf/DHMH896new.pdf</a>.
- Evidence of blood testing is required for all students who reside in a designated at risk area when first entering Pre-kindergarten, Kindergarten, and 1<sup>st</sup> grade. The blood-lead testing certificate (DHMH 4620) (or another written document signed by a Health Care Practitioner) shall be used to meet this requirement. This form can be found at:

Exemptions from a physical examination and immunizations are permitted if they are contrary to a students' or family's religious beliefs. Students may also be exempted from immunization requirements if a physician/nurse practitioner or health department official certifies that there is a medical reason not to receive a vaccine. Exemptions from Blood-Lead testing is permitted if it is contrary to a families religious beliefs and practices. The Blood- lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

The health information on this form will be available only to those health and education personnel who have a legitimate educational interest in your child.

Please complete Part I of this Physical Examination form. Part II must be completed by a physician or nurse practitioner, or a copy of your child's physical examination must be attached to this form.

If your child requires medication to be administered in school, you must have the physician complete a medication administration form for each medication.
